Fashion good enough to eat.

Models at this Paris show took to the **catwalk** wearing outfits made almost entirely out of chocolate.

The dresses were **inspired** by styles from around the world, and included chocolate fudge skirts and **intricate** golden bodices.

Creating the dresses was a **tricky** process for the designers, as the combination of human bodies and stage lighting meant that the outfits were likely **to melt**.

中文文字稿:

可以品尝的时装。

在巴黎举行的时装展上, 模特们身穿几乎完全是用巧克力做成的衣服走上 T 台。

礼服的灵感来自于世界各地的风格, 包括巧克力软糖裙子和精致细巧的金色紧身胸衣。

创造这些礼服对时装设计师们来说是有一定难度的, 因为模特的体温和舞台照明灯的热量意味着巧克力套装有可能融化。
